Long Term Confidentiality Request Letter

September 30, 2019

Federal Communications Commission
7435 Oakland Mills Road
Columbia, MD 21046

RE: CONFIDENTIALITY REQUEST FOR
(Product: BEACON 2.0, Model: BEACON 2.0, FCC ID: 2AJ3LA-BEACON2)

To Whom It May Concern:

This letter serves as an official request for confidentiality under sections 0.457 and 0.459 of CFR 47. We have requested that the

Schematics
PCB layout
BOM/Parts List
Block Diagram
Operational Descriptions

Required to be submitted with this application be permanently withheld from public review.

These documents reveal technical and design information that has not been publicly disclosed and is deemed by Uber to be proprietary. This information has been disclosed to those required to maintain its confidentiality, and is not customarily disclosed to the public even after release of a device. As a result, disclosure of this information by the Commission would harm Uber by giving competitors an unfair market advantage even after release of the device to the public.

Please contact me if there is any information you may need.

Sincerely,

A handwritten signature in cursive script that reads "Daniel Danker".

Daniel Danker, Head of Driver Product
